

Newsflash, April 2016

Connect with us soon in Washington

This May 4–7 we shall be at the 19th [ASGCT](#) (American Society of Gene & Cell Therapy) annual meeting in Washington.

We would appreciate to meet you, learn about your projects and discuss how GenoSafe could be of service to your organization. Please stop by our booth #420 or [contact us](#) now to schedule a specific time that works for you.
